UNIVERSITY OF TENNESSEE KNOXVILLE
BA Psychology

PROJECTS

LE VOYAGE - Front End Capstone
Link: https://le-voyage-capstone.firebaseapp.com
Description: This application was built to provide a place to store all your most recent trips/vacation. You can take a look down memory lane and store all your pictures, descriptions about the trips, see when your upcoming trips are and view a map of all the places you have visited in the world. The purpose is to keep all your memories from your trips in one location and to keep the travel sprit alive.

BACK END CAPSTONE - Back End Capstone
-Link: www.google.com
Description: Not completed yet
